COURSE OVERVIEW

The Intensive Italian language course consists of 4 Italian lessons per day, from Monday to Friday. The lessons are held by qualified and passionate teachers, in groups of no more than 15 participants. It is recommended both for those who already have a basic knowledge of the Italian language and for absolute beginners, but mostly for all those who want to discover the artistic and historic marvels of the territory and also to have some fun!

METHODOLOGY

Lessons are mainly based on spoken communication, but also deal with the more formal aspects of the language. Our teachers will encourage dialogues and discussions about various topics, from art and literature, to current events and everyday life.

Textbooks and support materials (copies, newspaper articles, songs, films) are provided by the staff and are included in the price. By the end of the course you will have practised with different forms of communication, improving your speaking abilities.
